

Wendy Scully Millinery 2023

Wendy Scully Millinery -

Has her stunning millinery shop open to the public 7 days a week, year round, and is in 'The Emporium' Melbourne CBD. She has been established in the Melbourne CBD for over 10 years.

Here she creates imaginative and beautifully constructed millinery tailored to the individual client, with a ready-to-wear selection also in-store and online.

Many years of experience in sculpture, textiles, dress construction, as well as teaching all aspects of design, have enabled her to develop a very wide range of skills- which she imbues into her millinery designs.

Her hats are feather light and easy to wear. Wendy uses vintage hat blocks and even her own custom designed hat block shapes, to make hats that are totally individual and unique. Always only one!

She loves to create headwear for any occasion including Bridal, Spring and Winter racing and for Royal Ascot.

In the Melbourne CBD, many visit her shop in the elegant Emporium Shopping Centre, to experience a wide range of beautiful hats on display.

Wendy is an award winning milliner, as well as being represented in exhibitions in London and also currently in France. Her work is also seen on the fashion runways in Australia, as part of MFF and MFW, as well as part of Fabrics of Multicultural Australia (FOMA).

She enjoys collaborating with Fashion Designers, including Indigenous Designer Buluuymirri, to create headwear to compliment their outfits, and providing headwear for TV advertisements (Dan Murphy ad).

Her 'Feathered Halo' was placed 2nd runner up in the 'Myers FotF Lillian Frank Millinery Award' in 2023. She was also the milliner for the 2nd overall FotF Myers Melbourne Cup winner in 2023- 'Best Dressed' category. One client was also 'top 10 in Best Suited' with a custom made top hat.

This year she created the bespoke headpiece for award winning jockey Michelle Payne O.A.M.- and worn at the opening day of Royal Ascot 2023.

Wendy's designs have been featured in several International Fashion Magazines

Refer to her website or Instagram for more information.
